Central College, Bangalore,

The Vice-Chancellor,

University of Mysore.

S i r,

I have the honour to request you to forward to Government for their kind consideration this note upon a point affecting myself arising from the G.O.4070-1/ C. B. 68-27-4 dated the 11th January 1928.

In that G.O. it is stated that:-

"The maximum limit of pension of Rs. 5000 fixed under Article 336 (b) of the Mysore Service Regulations will be raised as under..

"The pension will be payable at current rates of exchange if and so long as the pensioner does not reside in India".

This merely restates the general principle laid down in Article 522 of the Mysore Service Regulations that pensions are payable in rupees and in India except in certain circumstances. Attached to this Article 522, there is, however, an exception concerning a group of officers whose pensions will be paid at one shilling and ninepence the rupee. I am the last of the group remaining under the benefit of this exception.

I presume that the recent G.O. does not deprive me of the benefit of that express exception to the general principle regarding the payment of pensions.

I have the honour to be,

S i r,

Your obedient servant,

Frank R. Sell
